Background Information

Education plays a major role in the life of every individual. One popular quote comes to mind when education is mentioned; "Education is the passport to the future, for tomorrow belongs to those who prepare for it today" ~ Malcolm X. Under the UN SDGs Goal 4 - Quality education, it addresses the need for an inclusive and equitable quality education as well as the promotion of lifelong learning opportunities for all.

Problem Statement

A bridge between Parents and the stakeholders involved in their children's education especially in school

Proposed Solution

A web application which provides a comprehensive approach to improve parent-teacher-student communication. Here are three unique features of our classroom management software:

- Parents can view grades to ascertain their kids performance at school
- Parents can view school fee balances of their kids
- Parents can access school announcements online real-time
- Parents can easily communicate with their kids teachers via our chat channel
